MOTION BY SUPERVISOR MARK RIDLEY-THOMAS

August 13, 2013

**Appointment of Alternate Exposition Metro Line Construction Authority Member
for Supervisor Ridley-Thomas**

Planning for Phase Two of the Exposition Line project, stretching from Culver City to Santa Monica, is currently underway and is entering crucial decision-making stages. Supervisor Ridley-Thomas is currently one of the County of Los Angeles' appointees to the Exposition Metro Line Construction Authority.

It is standard practice for elected officials to name staff as their alternates to represent their views and their constituency in the event they cannot attend a meeting. Supervisor Ridley-Thomas would like David Riccitiello, Senior Deputy for Economic Development, Sustainability & Mobility, to be named as his alternate.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Appoint David Riccitiello as Supervisor Mark Ridley-Thomas' alternate to the Board of Exposition Line Construction Authority.
